

The Blankenship Awards

Celebrating Academic Excellence

Catalysis

THE DOWNING COLLEGE ENDOWMENT CAMPAIGN

Funded through the generosity of **Edward G Blankenship (Gary), PG Architecture 1968**, the Blankenship Awards were established to recognise academic excellence at Downing. Each year, students achieving first class results within their subjects are eligible for the respective Blankenship Award. These awards are particularly special to Downing because they can be used flexibly. In years when there are no eligible candidates in a particular subject, the funds can be used to provide travel grants, vacation study, course materials, textbooks and hardship relief. The Blankenship Awards truly celebrate achievement and open up opportunities for Downing students.

The following areas within Downing are supported through Blankenship Awards:

Architecture

Edward G Blankenship Scholarship and Book Prize
