

DOWNING COLLEGE CAMBRIDGE

## **OON KHYE BENG CH'HIA TSIO AWARDS**

### **PROJECT GRANTS FOR RESEARCH IN PREVENTIVE MEDICINE**

Applications are invited from members of Downing College for small grants to assist research in any aspect of Preventive Medicine (interpreted in the broadest sense). Such research could be undertaken by clinical students during their period of elective study and some projects by Part II and Part III Biological Natural Scientists might also be eligible. Grants are normally of the order of a few hundred pounds. Please note, laboratory costs are *not* supported by this fund.

#### **APPLICATION PROCEDURE**

Applications must be made [online](#). The online process requires the completion of a personal, academic record and questionnaire section. In addition, the name of a senior person acquainted with the candidate's academic work should be provided by the deadline advertised on the College website. For further information please [email](#) the Tutorial Office.
